

Heavy Duty Mechanic (ref # TER-HD04)

Date Posted: July 15, 2011

Closing Date: August 30, 2011

Tercon is a BC based heavy civil and mine development contractor. We have been providing heavy civil construction services and mine site development since 1981. Tercon is headquartered in Kamloops, BC with offices in Vancouver, Sparwood, and Fort McMurray, AB.

We are currently accepting applications for experienced Heavy Duty Mechanics to support our growing operations at various locations throughout BC and Alberta.

Responsibilities:

- Completing diagnostics and repairs to heavy trucks, heavy construction equipment, diesel or diesel-electric mining machinery and equipment, graders, dozers and forklifts as per provincial industry standards
- Testing and operating of all hydraulic and electrical systems
- Inspecting and reporting deficiencies as per Alberta Legislation
- Completing work orders and all relevant documentations
- Participating in safety programs, and safe work practices under OHS Legislation
- Completing responsibilities in the field environment

Qualifications:

- Prefer to be BC/ Alberta certified in Heavy Duty repair or possess an inter-provincial license in good standing but 3rd or 4th year apprentice may also be considered.
- Adapts easily to changes in job priorities and meeting deadlines
- Organized, dependable, hard-working and punctual
- Attention to detail
- Positive attitude

Pre- Employment Requirements:

- Class 1 or 3 Drivers License
- Clean drivers abstract dated within 30 days of your commencement of employment
- Successfully complete a mandatory drug & alcohol pre-screening test
- Successfully complete a driver's evaluation
